RE: Your client : Hugo A. Perez
 City Claim No. : C-85888
 Incident : March 10, 2010
 Our File : D7/2543

Dear Mr. Egan:

I am the adjuster assigned to review and handle the claims you have filed on behalf of your clients, Hugo A. Perez and Miguel A. Oregon arising from an incident occurring March 10, 2010.

Mr. Oregon filed a previous claim (represented by the law firm of Justin Elsner, PLLC). We acknowledge receipt of correspondence from Attorney Elsner withdrawing as counsel.

I will begin reviewing information gathered from the initial claim and I would ask, as I did previously to Attorney Elsner, that you provide me with documentation from both Mr. Perez and Mr. Oregon's treating physicians; as applicable to their claimed injuries.

As you have already been informed by City Claims Manager Dee Quiggle that termination of a police officer is outside claims authority; any potential settlement discussion will not address that.

I will look forward to speaking with you regarding your clients' claims.

Yours truly,

ARTHUR E. CAMPBELL-HUSTED CO.
